Convention - August 1, 2 & 3, 1975
Chicago, Illinois

Dear General Walters:

I certainly appreciate your acceptance of our invitation to address our organization on the occasion of the dinner on August 2, 1975 at Chicago. It is a privilege to have you do so and we are looking forward to meeting you and hearing your report on the intelligence support in these troubled times.

May we also extend to you an invitation to bring a guest, as a guest of the organization, in the event that you wish to do so.

As soon as your office can let me know the specifics of your travel, we would like to be able to personally greet you on your arrival in Chicago.

Thanking you very much, I am

Very truly yours,

Stephen Jurco
